Reference for Barbara Silva

It is with great pleasure that I am able to provide a reference for Barbara. Barbara was with us from the 4th of September to the 28th of September 2017 and during this time assisted with many aspects of our design and manufacturing, including but not limited to cutting of the shoes; detailing, embroidering and finishing shoes; visiting suppliers and dealing with the purchasing of various materials.

During her time here Barbara was always on time and showed herself to be a quick learner. The standard of her work was excellent and she was always willing and helpful. It was a pleasure to have Barbara with us and I would certainly recommend her to any future employer.

Yours faithfully,

Natacha Marro
